Customized, Eco-Friendly
Straws for Every Occasion

About Us

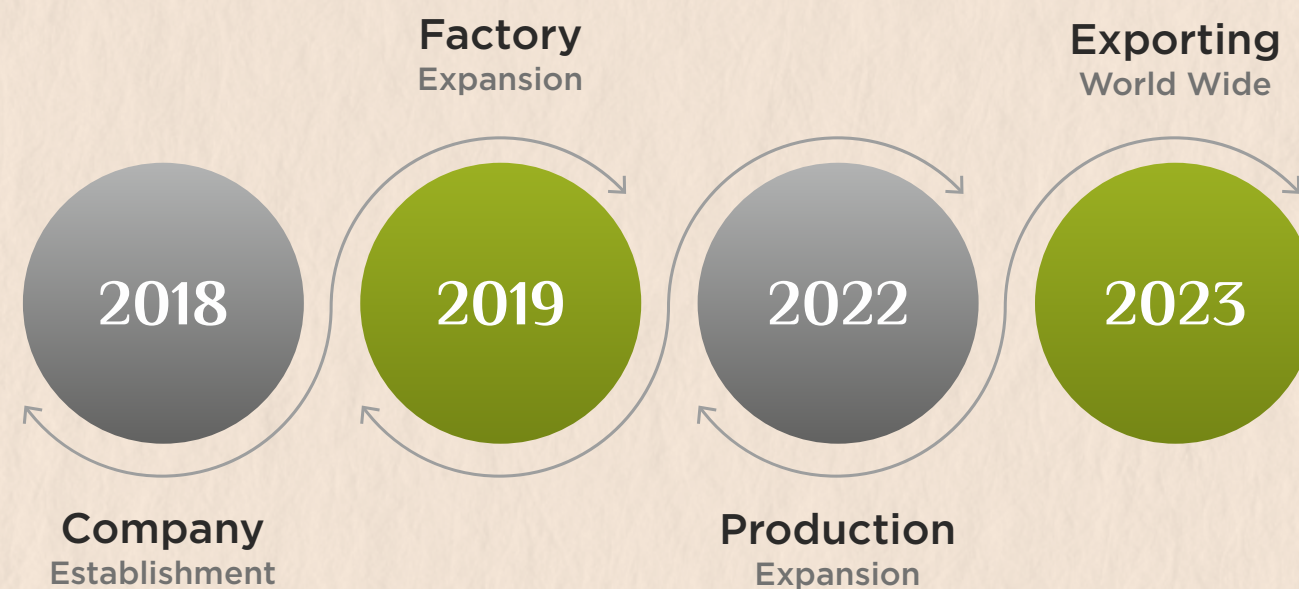

Arihant Paper Products is a leading manufacturer of eco-friendly paper straws, committed to promoting sustainable living. We are passionate about creating high-quality, biodegradable alternatives that help reduce plastic waste and protect our planet for future generations.

With a strong focus on quality, innovation, and environmental responsibility, Arihant Paper Products offers a wide range of paper straws designed to meet the needs of businesses and consumers who value sustainability. Our products are made using food-grade materials and eco-friendly processes, ensuring safety, durability, and a minimal environmental footprint.

Our Story

Founded in 2018, Arihant Paper Products was born with a vision to offer sustainable alternatives through high-quality paper straws. With a commitment to eco-friendly innovation, we quickly grew, doubling our factory floor space by 2019 to meet increasing demand.

By 2022, Arihant Paper Products expanded its production capacity threefold, positioning us among the leading manufacturers in the industry. Today, we proudly export to over 7 countries and supply to more than 22 states across India, helping businesses and consumers make the shift toward a greener future.

Why Us

Driven by **Purpose**,
Powered by **Values**

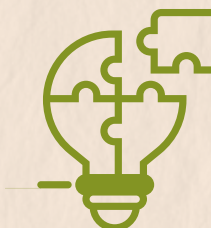

At Arihant Paper Products, we believe in building a better tomorrow through responsible innovation and sustainable practices. Our company stands for more than just eco-friendly products — we represent a commitment to ethical manufacturing, long-term partnerships, and a greener planet.

With a proven track record of growth, quality, and reliability, we continue to serve customers across India and beyond by offering dependable service, timely delivery, and customized business solutions. We're not just meeting demand — we're shaping the future of sustainable packaging, one step at a time.
